

**Blue Ridge  
Mountain EMC**  
Broadband Internet Service

This isn't  
**“INTERNET”**  
It's the **ULTIMATE**  
**WI-FI SERVICE**

**Internet service is just the start of your experience with us. Yes its fast, reliable and affordable. How fast? Not to bore you with technical jargon, but our fiber optic internet can deliver speeds up to 1 Gig.**

All of the speed talk is nothing without an in-home Wi-Fi experience. That's what makes service from us unique. We've taken the work out of creating the ultimate in-home connectivity experience. It means that we provide everything you need up front and continue to optimize and improve your service with us.

What does that mean for you? No installation fees, no equipment to buy and we manage it all for you. So you can focus on the things that really matter in your life.
